

Clark County School District  
**College of Southern Nevada High School Parent/Student Contract**

*By signing the contract, I acknowledge my understanding of the conditions I will be expected to follow.*

**Page 3**

**I understand and agree to the following:**

- **College of Southern Nevada High School is a unique program that allows students to get a head start on their college careers.** Admission is dependent upon review of the completed application packet. **However, submitting an application does not guarantee enrollment into the CSNHS program.**
- Eligibility may be determined by such factors as academic performance, rigor of high school courses, attendance, conduct, teacher recommendations, and essays.
- **Transportation is not provided by the Clark County School District.**
- **It is the student's financial responsibility to pay for required college textbooks, classroom fees and surcharge. (books range from \$50 to \$200, and fees usually range from \$5 to \$30). Students will also be responsible to pay the additional fee for each college class taken as a distance education class (online classes).** CSN will bill the student directly for any college classes from which he/she fails, audits, or withdraws.
- Students must be enrolled in the appropriate number of courses (combined high school and college) to meet Nevada state guidelines and high school graduation requirements. (*Juniors must be enrolled in a minimum of 6 classes and Seniors a minimum of 4 classes*). You cannot be concurrently enrolled in your zoned high school and take classes such as ROTC, Band, etc. College classes are dual credit for high school and college. Students **must** have their high school counselor's approval before dropping a college class. Any students who drop a college class without their counselors' permission will receive an "NM" on their high school transcript or if it is after the 9 day limit will receive an "F" on their high school transcript.
- College courses must be 3 credits or more from the **Accepted List** of dual credit courses.
- CSNHS will pay for no more than 12 college credits per semester and these credits must appear on the CSNHS **Accepted List**. As fees, surcharges, and tuition costs change we will send updates.
- Students must receive a payment voucher from the CSNHS office, appropriately signed, in order to pay for college coursework.
- Students receive ½ high school elective credit for college classes that are three credits or more.
- Students accepted to the program are expected to **remain for the entire year**.
- Due to the block schedule format, **students cannot exceed 8 total absences per semester, or the student will lose credit in that course.**
- Students are expected to **maintain at least a "C" average** in both high school and college classes.
- Students must maintain satisfactory citizenship in high school classes.
- Students must abide by the academic and behavioral guidelines as established by CCSD, CSNHS, and the College of Southern Nevada.
- Students will be enrolled in college classes with adults and may be exposed to adult material, subject matter, and language.
- After-school sports and extracurricular activities (i.e., football, track, cheerleading, etc.) at your zoned school becomes the responsibility of the parent and the student to check with the student's zoned school in regard to eligibility for participation in sports and other extracurricular activities. Your participation in sports or extracurricular activities may or may not work from first semester to second semester, and year to year as our class needs, and number of sections of classes change. Our expectations are that you are available for your CSNHS high school classes, Monday through Thursday from 11:00am to 5:00pm, and Fridays from 8:00am to 3:00pm. You will not be excused from CSNHS classes or CSN college classes for sports or extracurricular activity practices during this time frame. If you are eligible and do choose to participate with your zoned school you must notify your CSNHS counselor/principal in advance of the season/activity that you want to participate in and provide us with a game /activity schedule.

**College of Southern Nevada High School Parent/Student Contract**

*By signing below, I acknowledge my understanding of the conditions I will be expected to follow.* **Page 3**

Furthermore, I understand that my son's or daughter's enrollment in this program is contingent upon adherence to this contract.

Under FERPA, students are considered post-secondary students while enrolled in their college classes. Therefore, as a parent, I am unable to call or discuss my student's academic performance with college instructors. I have read the above contract and I give my permission for my son or daughter to attend the College of Southern Nevada High School *if he or she is accepted.*
